OVERVIEW

To obtain a challenging Salesforce developer position utilizing my technical skills and experience in designing, developing, and implementing innovative solutions using Salesforce technologies. I am eager to contribute my expertise to a dynamic organization, where I can apply my problem-solving skills and drive growth and success through the delivery of efficient and effective solutions.

SUMMARY

Highly motivated and experienced Salesforce developer with 1+ years of experience in designing and implementing solutions using the Salesforce platform. Proficient in Apex, LWC, and Lightning development, with a proven track record of delivering complex projects on time. Strong problem-solving skills, excellent communication abilities, and a passion for technology make me an asset to any organization looking to drive growth and success through the use of Salesforce,
